ENG505:Quiz No. 2

Question # 10 of 10 ( Start time: 11:39:06 PM, 27 November 2018 )

One of the contributions of Jerome Bruner is the \_\_\_\_\_.

Select the correct option

|                                  |                           |
|----------------------------------|---------------------------|
| <input checked="" type="radio"/> | Spiral curriculum         |
| <input type="radio"/>            | L1 acquisition            |
| <input type="radio"/>            | L2 learning               |
| <input type="radio"/>            | None of the given options |

ENG505:Quiz No. 2

Question # 9 of 10 ( Start time: 11:38:23 PM, 27 November 2018 )

Krashen's second language \_\_\_\_\_ theory has had a great influence on second language research and teaching since the 1980s.

Select the correct option

|                                  |             |
|----------------------------------|-------------|
| <input type="radio"/>            | learning    |
| <input checked="" type="radio"/> | acquisition |
| <input type="radio"/>            | analysis    |
| <input type="radio"/>            | motivation  |

MC180403082: SANA JAVED

ENG505:Quiz No. 2

Question # 8 of 10 ( Start time: 11:38:07 PM, 27 November 2018 )

According to Piaget, people organize their experience into schemes that help them make sense of their experiences and achieve \_\_\_\_\_ .

Select the correct option

|                                  |                 |
|----------------------------------|-----------------|
| <input type="radio"/>            | evenness        |
| <input type="radio"/>            | symmetry        |
| <input checked="" type="radio"/> | equilibrium     |
| <input type="radio"/>            | non equilibrium |

ENG505:Quiz No. 2

Question # 7 of 10 ( **Start time: 11:37:38 PM, 27 November 2018** )

Cognitivism is the study in Psychology that focuses on \_\_\_\_\_.

Select the correct option

|                                  |                  |
|----------------------------------|------------------|
| <input type="radio"/>            | competence       |
| <input type="radio"/>            | performance      |
| <input checked="" type="radio"/> | mental processes |
| <input type="radio"/>            | langue           |

Question # 6 of 10 ( Start time: 11:36:18 PM, 27 November 2018 )

Constructivism is a learning theory found in \_\_\_\_\_ which explains how people might acquire knowledge and learn, having direct application to education.

Select the correct option

|                                  |                    |
|----------------------------------|--------------------|
| <input checked="" type="radio"/> | psychology         |
| <input type="radio"/>            | linguistics        |
| <input type="radio"/>            | psycho-linguistics |
| <input type="radio"/>            | neurolinguistics   |

Question # 10 of 10 ( Start time: 08:42:38 PM, 13 November 2018 )

Which of the following theories focuses on the use of scaffolding, providing feedback, correcting errors and encouraging the language learners to speak?

Select the correct option

|                                  |                |
|----------------------------------|----------------|
| <input type="radio"/>            | Behaviouristic |
| <input type="radio"/>            | Cognitive      |
| <input checked="" type="radio"/> | Conversation   |
| <input type="radio"/>            | Acculturation  |

MC180403082: SANA JAVED

ENG505:Quiz No. 2

Question # 1 of 10 ( Start time: 11:33:03 PM, 27 November 2018 )

Context and collaboration are the key features of the\_\_\_\_\_.

Select the correct option

|                                  |                |
|----------------------------------|----------------|
| <input type="radio"/>            | generativist   |
| <input checked="" type="radio"/> | constructivism |
| <input type="radio"/>            | cognitivist    |
| <input type="radio"/>            | behaviourist   |

ENG505:Quiz No. 2

Question # 2 of 10 ( Start time: 11:33:32 PM, 27 November 2018 )

Jean Piaget, a psychologist, was known for his pioneering work on \_\_\_\_\_.

Select the correct option

|                                  |                   |
|----------------------------------|-------------------|
| <input checked="" type="radio"/> | child development |
| <input type="radio"/>            | adult language    |
| <input type="radio"/>            | native speakers   |
| <input type="radio"/>            | L2 learners       |

ENG505:Quiz No. 2

Question # 3 of 10 ( Start time: 11:33:55 PM, 27 November 2018 )

The \_\_\_\_\_ Model is a psycholinguistic theory of language acquisition and sentence processing developed by Elizabeth Bates & Brian MacWhinney.

Select the correct option

|                                  |                   |
|----------------------------------|-------------------|
| <input checked="" type="radio"/> | Competition       |
| <input type="radio"/>            | Multi-store       |
| <input type="radio"/>            | Atkinson-shiffrin |
| <input type="radio"/>            | Creed             |

## ENG505:Quiz No. 1

---

Question # 9 of 10 ( **Start time: 08:42:01 PM, 13 November 2018** )

Who is the active participant in 'Silent Way' of language teaching?

Select the correct option

|                                  |           |
|----------------------------------|-----------|
| <input type="radio"/>            | Teacher   |
| <input checked="" type="radio"/> | Student   |
| <input type="radio"/>            | Community |
| <input type="radio"/>            | Parents   |

ENG505:Quiz No. 1

---

Question # 6 of 10 ( **Start time: 08:38:38 PM, 13 November 2018** )

Competence is the 'mental reality' which is responsible for all those aspects of language use which can be characterized as ' \_\_\_\_\_ '.

Select the correct option

|                                  |             |
|----------------------------------|-------------|
| <input type="radio"/>            | literature  |
| <input type="radio"/>            | langue      |
| <input type="radio"/>            | performance |
| <input checked="" type="radio"/> | linguistics |

ENG505:Quiz No. 1

---

Question # 8 of 10 ( Start time: 08:40:29 PM, 13 November 2018 )

Acquisition process in language implies some type of subconscious and effortless assimilation of \_\_\_\_\_ knowledge.

Select the correct option

|                                  |               |
|----------------------------------|---------------|
| <input checked="" type="radio"/> | linguistic    |
| <input type="radio"/>            | behavioristic |
| <input type="radio"/>            | competence    |
| <input type="radio"/>            | performance   |

ENG505:Quiz No. 1

---

Question # 7 of 10 ( **Start time: 08:39:16 PM, 13 November 2018** )

Schollon (2004) defines language as a \_\_\_\_\_ phenomenon.

Select the correct option

|                                  |                       |
|----------------------------------|-----------------------|
| <input type="radio"/>            | multiple              |
| <input type="radio"/>            | complex               |
| <input type="radio"/>            | kaleidoscopic         |
| <input checked="" type="radio"/> | all the given options |

Question # 5 of 10 ( Start time: 08:37:25 PM, 13 November 2018 )

Pavlovian conditioning is associating an unconditioned stimulus, already responded to with a new stimulus, so that the new stimulus brings about the same \_\_\_\_\_.

Select the correct option

|                       |          |
|-----------------------|----------|
| <input type="radio"/> | response |
| <input type="radio"/> | reaction |
| <input type="radio"/> | learning |
| <input type="radio"/> | method   |

ENG505:Quiz No. 1

Question # 4 of 10 ( Start time: 08:36:59 PM, 13 November 2018 )

Bandura suggests most of the human behavior is learned by\_\_\_\_\_.

Select the correct option

analysis

seeking

observation

acquisition

ENG505:Quiz No. 1

---

Question # 3 of 10 ( **Start time: 08:36:29 PM, 13 November 2018** )

Process of language acquisition is common in all languages as it involves \_\_\_\_\_ and behavior.

Select the correct option

|                       |                       |
|-----------------------|-----------------------|
| <input type="radio"/> | emotion               |
| <input type="radio"/> | cognition             |
| <input type="radio"/> | information           |
| <input type="radio"/> | all the given options |

ENG505:Quiz No. 1

---

Question # 2 of 10 ( **Start time: 08:35:43 PM, 13 November 2018** )

According to Chomsky \_\_\_\_\_ is the actual use of language in concrete situations.

Select the correct option

|                                  |             |
|----------------------------------|-------------|
| <input checked="" type="radio"/> | performance |
| <input type="radio"/>            | competence  |
| <input type="radio"/>            | motivation  |
| <input type="radio"/>            | learning    |

## Question # 9 of 10 ( Start time: 12:09:28 PM, 30 May 2018 )

What is the true requirement for language acquisition as per Krashen's input hypothesis?

Select the correct option

|                                  |                          |
|----------------------------------|--------------------------|
| <input type="radio"/>            | Meaningful interaction   |
| <input type="radio"/>            | Comprehensible input     |
| <input type="radio"/>            | Low anxiety situations   |
| <input checked="" type="radio"/> | All of the given options |

## Question # 8 of 10 ( Start time: 12:08:28 PM, 30 May 2018 )

Vygotsky's theory focuses on the importance of \_\_\_\_\_ to shape and develop an individual.

Select the correct option

- |                                  |                           |
|----------------------------------|---------------------------|
| <input type="radio"/>            | individual attention      |
| <input type="radio"/>            | psychological development |
| <input checked="" type="radio"/> | intellectual adaptation   |
| <input type="radio"/>            | society and culture       |

Question # 8 of 10 ( Start time: 01:29:44 PM, 30 May 2018 )

Contrary to basic language cognition, higher language cognition utterances pertain to \_\_\_\_\_.

Select the correct option

|                                  |                                    |
|----------------------------------|------------------------------------|
| <input type="radio"/>            | written language only              |
| <input type="radio"/>            | spoken utterances only             |
| <input checked="" type="radio"/> | written as well as spoken language |
| <input type="radio"/>            | None of the given options          |

## Question # 7 of 10 ( Start time: 12:30:19 PM, 30 May 2018 )

Stern (1992) points out that CLT has become more successful in \_\_\_\_\_ settings.

Select the correct option

|                                  |     |
|----------------------------------|-----|
| <input type="radio"/>            | EFL |
| <input checked="" type="radio"/> | ESL |
| <input type="radio"/>            | EIL |
| <input type="radio"/>            | ELF |

## ENG505:Quiz No. 2

---

Question # 1 of 10 ( **Start time: 11:18:56 AM, 30 May 2018** )

Basic Language Cognition (BLC) does not comprise \_\_\_\_\_.

Select the correct option

|                                  |                          |
|----------------------------------|--------------------------|
| <input checked="" type="radio"/> | reading and writing      |
| <input type="radio"/>            | speech reception         |
| <input type="radio"/>            | speech production        |
| <input type="radio"/>            | all of the given options |

## Question # 3 of 10 ( Start time: 12:26:05 PM, 30 May 2018 )

According to Vygotsky, every function in the child's cultural development appears \_\_\_\_\_.

Select the correct option

|                                  |                |
|----------------------------------|----------------|
| <input type="radio"/>            | once           |
| <input checked="" type="radio"/> | twice          |
| <input type="radio"/>            | thrice         |
| <input type="radio"/>            | multiple times |

Question # 10 of 10 ( Start time: 01:31:40 PM, 30 May 2018 )

Total Mark

What, according to Krashen, acts as a monitor for language output?

Select the correct option

|                                  |                             |
|----------------------------------|-----------------------------|
| <input type="radio"/>            | Affective filter(s)         |
| <input type="radio"/>            | Stress free environment     |
| <input type="radio"/>            | Comprehensible input        |
| <input checked="" type="radio"/> | Conscious language learning |

Question # 1 of 10 ( Start time: 12:24:07 PM, 30 May 2018 )

Total Marks:

Who introduced the concept of generative grammar?

Select the correct option

|                                  |                 |    |
|----------------------------------|-----------------|----|
| <input type="radio"/>            | B. F. Skinner   | // |
| <input checked="" type="radio"/> | Noam Chomsky    | // |
| <input type="radio"/>            | John Schumann   | // |
| <input type="radio"/>            | Stephen Krashen | // |

Question # 5 of 10 ( **Start time: 12:05:02 PM, 30 May 2018** )

The usage-based position is closely allied with \_\_\_\_\_ linguistics.

Select the correct option

|                                  |              |
|----------------------------------|--------------|
| <input type="radio"/>            | Behaviourist |
| <input type="radio"/>            | Structural   |
| <input type="radio"/>            | Generative   |
| <input checked="" type="radio"/> | Cognitive    |

## Question # 3 of 10 ( Start time: 11:21:14 AM, 30 May 2018 )

Which of the following features is TRUE for language learning process as per Krashen's model?

Select the correct option

|                                  |                                     |
|----------------------------------|-------------------------------------|
| <input type="radio"/>            | Activities in the target language   |
| <input checked="" type="radio"/> | Use of translation and L1           |
| <input type="radio"/>            | Produces the ability to communicate |
| <input type="radio"/>            | Discourages deductive teaching      |

Question # 6 of 10 ( Start time: 12:06:06 PM. 30 May 2018 )

Systemic linguists claim that the language use is \_\_\_\_\_.

Select the correct option

|                                  |            |
|----------------------------------|------------|
| <input type="radio"/>            | cognitive  |
| <input checked="" type="radio"/> | functional |
| <input type="radio"/>            | social     |
| <input type="radio"/>            | cultural   |

## Question # 9 of 10 ( Start time: 12:32:30 PM, 30 May 2018 )

Krashen's input hypothesis is ONLY concerned with \_\_\_\_\_ of the language.

Select the correct option

|                                  |             |
|----------------------------------|-------------|
| <input checked="" type="radio"/> | acquisition |
| <input type="radio"/>            | learning    |
| <input type="radio"/>            | drilling    |
| <input type="radio"/>            | output      |

Question # 3 of 10 ( Start time: 01:25:41 PM, 30 May 2018 )

Total Marks: 1

Early bilinguals can attain native-speaker proficiency in more than one language as long as they minimally acquire \_\_\_\_\_.

Select the correct option

|                                  |                             |   |
|----------------------------------|-----------------------------|---|
| <input type="radio"/>            | BLC in native language      | / |
| <input checked="" type="radio"/> | BLC in each target language | / |
| <input type="radio"/>            | HLC in native language      | / |
| <input type="radio"/>            | HLC in each target language | / |

Question # 10 of 10 ( Start time: 12:10:16 PM, 30 May 2018 )

Krashen's input hypothesis is ONLY concerned with \_\_\_\_\_ of the language.

Select the correct option

|                                  |             |
|----------------------------------|-------------|
| <input checked="" type="radio"/> | acquisition |
| <input type="radio"/>            | learning    |
| <input type="radio"/>            | drilling    |
| <input type="radio"/>            | output      |

## Question # 2 of 10 ( Start time: 01:25:19 PM, 30 May 2018 )

Total

Which model claims that the successful SLA depends on how much contact the L2 learner has with L2 speaker?

Select the correct option

|                                  |                     |
|----------------------------------|---------------------|
| <input type="radio"/>            | Dell's Model        |
