cultural cir

1 of 1

New norm-providers

- Various norm-providing and modelling centres have resulted in new linguistic and literary rules and principles
- Learning English along with retaining one's own identity

Kachru's view

Adaptation of English to multilingual contexts

- Norm-providing
- Indigenized-variety use
- Asserting regional national or local identity as distinct from inner circle variety users

Kachru's view

Diversification in inner circle and outer circle varieties

- Diversification in outer circle varieties is comparable to inner circle varieties
- considerable diversification at the base (colloquial level)
- and less diversity at the apex or educated level

Kachru's view

Dealing with diversity

- Creativity and innovation reflect the diversity of cultural circumstances in which English is used
- Concerns raised by diversification need to be managed by exposure of teachers and researchers to varieties of English

Topic 113: External Models in Expanding and Outer Circles

External models

- British
- American

Arguments for external models

Need for a uniform standard world-wide

- Uniform standard needed for global English
- Multiple norms can cause the language to break up in mutually unintelligible varieties
- Political leadership favours external models

Arguments for external models

Sufficiency of external models

- Existence of research based codified varieties
- Availability of abundant instructional and reference material in British and American English

amounts an

1 of 1

- The: with a singular word indicates generic nature of an item when the word refers to a whole group

- We must be kind to the poor.

Nouns

Specific and non-specific
variation examples

- Everyone owns car.
- Girls look very pretty today.
- I'm staying in one house with black gate.

Topic-092:Grammar-II

Nouns

Quantifiers

- We use quantifiers (much, little, few, a lot, little etc.) to talk about quantities, **amounts** and degrees.

- It generally comes before a noun or noun phrase

Nouns

Countability and quantifiers

- The conventions of marking countability differ across languages.
- In English, countability has to do with a noun's potential for combining with various types of determiners

Nouns

Countability and quantifiers

- Knowledge (uncountable)

A knowledge of

- People (collective noun) also has a plural form

The native peoples of Siberia

1 of 1

Historical, Political and Social Contexts

Topic 13: Introducing World Englishes

10 / 98

World Englishes as a field of study has been recently established.

There are two distinct positions on it:

- A single standardised form of English as the model (Randolph Quirk, 1985)
- Many linguistically equal varieties of English (BarajKachru, 1985)

Kachru's classification of English

Kachru classified English into three concentric circles:

1. Inner Circle
2. Outer Circle
3. Expanding Circle

Traditional classifications of English

- English as a native language (ENL)
- English as a second language (ESL)
- English as a foreign language (EFL)

Phases of development of English language varieties

1. The local variety remains unrecognized
2. Local variety and inner circle variety exist side by side
3. The local variety becomes recognized as the standard
