Paper 2

---cs403 paper today ---

----- 50 % mcqs were from past papers

---- remaining mcqs conceptual

--- unique index query

--- sql query with out allias

--- sql query for join.

--- show output of query

--- define hash function

--- define concurrency controller

--- query for delete and update

--- query for alter table

--- give most suitable attributes for student entity...

Paper was easy

Paper 3

Cs403 today ppr...

40 mcqz...

sbjctv me 5 mx k 5 qstn thy..or 3 mx k b 5 thy...

50% mcqz from pst ppr...wqar ki file se...

subjctv me 5 qstn programing k thy...or bki m errors or output btana tha..

.cursor or itratn me diffrnc pocha tha

Paper 4

CS 403 final term paper timing 5 pm

Mcqs almost half past papers sy.

5 questions 3 marks..

vustudents.pk

Database create krna tha syntax likhna tha.?

Characteristics of Physical storage media..?

Five operations of relational algebra?

In log file <tx,X,33> what does this statement.?

5 marks questions..

2 table diaye thy aur in me sy table bnana tha semester result ka .

Entity instance, entity set, entity typ tabel tha .

View create krna tha PROFESSOR table tha.

Timestamping..?

Paper 5

Cs403 today at 2:30 pm

40% mcq's from past

Questions:

Types of joins. 3 marks

statement about isolate 3 marks

Write benefits of super/sub type entities in ER diagram. 5 marks

What is locking an how to maintained it?? 3 marks write type name

Command button 3 marks

Heap 3 marks

Create a view named project details on project table.....Islamabad m.from past

5 marks

Paper 6

Cs403 done

Mcqs from past paper 15 aaay thay

Short question m in operator ka use

Normalization is based on all type of data. Base

Query likhni the matching columns thay

Columns ki query khud likhi the wo change kr k table m modification krni the

vustudents.pk

How to prevent deadlock nd situation the the

Dfd diagram

2019

Paper 1

Cs403 today ppr...

40 mcqz...

sbjctv me 5 mx k 5 qstn thy..or 3 mx k b 5 thy...

50% mcqz from pst ppr...wqar ki file se...

subjctv me 5 qstn programing k thy...or bki m errors or output btana tha..

.cursor or itratn me diffrnc pocha tha

Paper 2

CS403 subjective paper

1. What is inter schema mapping?

2. Difference between SQL and SQL server?

3. Difference between optimistic and pessimistic modes for taking locks?

4. Which method 1. What is inter schema mapping?

2. Difference between SQL and SQL server?

3. Difference between optimistic and pessimistic modes for taking locks?

4. Which method 1. What is inter schema mapping?

2. Difference between SQL and SQL server?

3. Difference between optimistic and pessimistic modes for taking locks?

4. Which method is in DBMS to detect Deadlock? Briefly explain.

Best of luck for CS403 students with best wishes

Paper 3

Cs403 8:00am

60% mcqs from past moaaz files

5 questions of 3 marks 5 questions of 5 marks

vustudents.pk

Index , index types difference between them

View, general syntax,view types

2018

Paper 1

aik question tha database transaction k waqt failure kin wajuhaat se aa skta ha 4 points btayen

sql k kafi thy question mcq;s me b or long or short me b

Views

index

create database

alter database

add columns

delete tables

delete columns

Paper 2

Cs403 #current #final #paper

60% mcqs from past paper

Mostly questions from sql queries,deadlock,indexes,sql rules

Total 50 questions

Mcqs 40

Subjective 10

5 questions three marks and 5 questions 5 marks

Paper 3

today paper cs403 by PEER HAMMAD

difference b/w optimistic and pessimistic

wait for graph

colunm dia hoa tha osy math krna tha

correct the sentence

vustudents.pk

or mcqs tough thy

sql k mutaliq kafi mcqs thy

over all paper easy tha

bas yehi kuch yad tha

Paper 4

my today's cs403 paper 60% mcqs from past papers Rehashing k bary mn btana tha 1 ERD Given thi us ki cardinality btani thi 2 statements given thi un ko true ya false btana tha with reason ye shid moaaz ki subjective file main bi h question. CREATE AND SELECT comand k 2 question thy. 1 ERD Given thi us main student k attribute btany thy MS Access ka b 1 question thapr wo yad nhi

The End
